

Hello Future Hillmen Football Parents and Players,

We are ecstatic to work with your athlete and cannot wait to get started. After the challenging times we have been through, there is a sense of hope that much better times are ahead. Our offseason program is a staple of what makes our program special. The introduction to that program begins for the Frosh this summer on June 6th. During the summer practice the frosh staff implements the base offense and defense, the basic fundamentals and our conditioning program. It's also a time for the team to bond and gel as they get to know each other and their coaches. Summer practice will be Monday through Thursday from 3-5ish.

A huge part of our success is the commitment and support of both the athlete and parents. The expectations coming from JR High and pre-high school sports to the high school level is drastically different. We understand that you may have already planned trips this summer due to not knowing the schedule, so we ask that your athlete simply communicates with Coach Packheiser if this is an issue. But, as your athlete gets older it's important to know that there will always be a summer program playing in the football program.

We have 5 core values that will help your athletes succeed while playing here. They are superior fundamentals, hard work, physicality, student lead program and brotherhood (love). These 5 principles are the backbone of the program and they will have a GREAT time. We are so excited to work with your son/daughter at Placer and their time here will be a life changing experience. If your child is interested in playing football this fall please email our Frosh Head Coach Jim Packheiser at jimpackheiser@yahoo.com

Thank you and Go Hillmen!!

Joey Montoya
Head Football Coach
